Before Your Installation Antes de Instalar Avant l'installation

Check to make sure you have the following parts indicated below:
 Verifique que tenga todas las partes indicadas:
 Vérifier pour vous assurer que vous possédez les pièces au bas:

DECORATIVE FINISHES:

The use of 100% non-abrasive wax, such as TURTLEWAX T-15 applied with a 100% cotton cloth, will clean and brighten the surfaces and provide protection for easier cleaning.

With proper care, your new GERBER product will give you years of trouble free service and enjoyment. Use only 100% cotton cloth dampened with water to clean.

Do NOT use detergents, cleaners or other abrasive materials as they may damage the finish and void the warranty.

ACABADOS DECORATIVOS:

El uso de ceras 100% no abrasivas, tal como la CERA DE TORTUGA T-15 aplicada con un paño de algodón, limpiará y dará brillo a las superficies y dará protección para que la limpieza sea más fácil.

Si le das el cuidado apropiado, tu nuevo producto GERBER te dará muchos años de servicio sin problemas. Limpialo solo con paños humedecidos que sean 100% de algodón.

NO usar detergentes, limpiadores u otros materiales abrasivos ya que pueden dañar el acabado y anular la garantía.

APPRENTI...CORATIF:

Pour un nettoyage facile et des surfaces qui brillent, appliquez, fréquemment, un produit à base de tissu 100% coton, une cire 100% non abrasive telle que la TURTLE WAX T-15. Cette cire assurera une protection qui facilitera le nettoyage.

Avec les soins adéquats, votre nouveau produit GERBER ne vous causera aucun souci et vous donnera satisfaction pendant de nombreuses années. Pour le nettoyage, n'utilisez qu'un tissu 100% coton, légèrement humide.

NE PAS utiliser de détergents, de nettoyeurs ou autres matières abrasives car ces produits pourraient endommager la finition et annuler la garantie.

Faucet installation Procedures/Instalación del Grifo/Procédures d'installation du robinet

- 1** Apply plumber's putty around bottom of spout. Place spout in center hole of sink. Secure with pictured parts.

Aplique masilla de plomería alrededor de la base del vertedor. Coloque el vertedor en el orificio del centro del lavamanos. Asegure con las piezas que ve en la ilustración.

Mette du mastic de plombier autour du bas du bec. Placez le bec dans le trou central du lavabo. Fixer à l'aide des pièces apparaissant sur l'illustration.

- 2** Place the handle body and handle set (marked H) through left hole. Assemble the parts and screw with lock nut.

Coloque todos los componentes de las manivelas (marcados H) a través del orificio izquierdo. Ensamble todos los componentes y atornillelos con la contratuercas.

Mette le corps de la manette et le levier (portant l'indication H) dans le trou de gauche. Assemblez les pièces et visser à l'aide de l'écrou de blocage.

- 3** Connect handle body and faucet spout with plastic water line.

Conecte el cuerpo de las manivelas y el vertedor del grifo al tubo plástico.

Raccorder le corps de la manette et le bec du robinet avec la conduite d'eau en plastique.

- 4** Apply pipe tape on the thread of handle body.

Aplique cinta de plomería en la rosca del cuerpo de manivela.

Appliquer du ruban pour tuyau sur les filets du corps de la manette.

- 5** Slip coupling nuts onto water supply tubes and screw onto inlet ports.
2. Slip coupling nut onto inlet ports directly.

1. Deslice las tuercas de unión en los tubos de suministro de agua y atornillelas a las entradas de agua.
2. Ponga las tuercas de unión directamente en las entradas de agua.

1. Glisser les écrous d'accouplement sur les tuyaux d'alimentation d'eau et les visser sur les orifices d'entrée.
2. Glisser l'écrou d'accouplement directement sur les orifices d'entrée.

- 6** After installing faucet, remove the vandal-proof aerator with special wrench provided and turn on water to remove any left over debris. Re-assemble aerator.

Después de instalar el grifo, remueva el aireador con el dispositivo de protección usando la llave que se incluye y haga correr el agua para remover cualquier residuo que haya quedado. Vuelva a ensamblar el aireador.

Lorsque l'installation du robinet est terminée, enlever le brise-jet antivandale à l'aide de la clé spéciale fournie et faire couler l'eau pour évacuer tout débris. Remettre le brise-jet en place.

Pop-Up drain installation/Instalación del Desagüe levadizo/installation de la vidange mécanique

- 3** Insert threaded end of drain body up through drain hole and attach flange to body.

Desde abajo, coloque el extremo roscado del cuerpo de desagüe en la abertura y una la brida al desagüe.

Insérer l'extrémité filetée du corps du drain vers le haut dans l'orifice du drain et fixer la brida au corps.

- 5** Insert main plunger into drain. Insert ball rod into rod port and into hole at bottom of main plunger.

Coloque el émbolo principal en el desagüe. Inserte la varilla con la esfera en el orificio para la varilla en la parte de abajo del émbolo principal.

Insérer le plongeur principal dans le drain. Insérer le levier à rotule dans l'orifice de levier et dans le trou au bas du plongeur principal.

- 7** Insert bottom of lift rod into hole at top of lift rod strap. Tighten with thumb screw.

Inserte el extremo inferior de la barra elevadora en el orificio en la parte de arriba de la banda de la barra elevadora. Ajuste con tornillo de mano.

Insérer la partie inférieure de la tige de levage dans le trou sur le dessus de la sangle de tige de levage. Serrer à l'Àfaide de la vis à oreilles.

- 1** Remove strainer assembled parts from strainer body.

Desensamble la coladera y remueva los componentes.

Enlever les pièces assemblées de la crépine du corps de la crépine.

- 3** Put seal, washer, and lock nut onto strainer assembly.

Coloque el sellador, la arandela y la contratuerca en el ensamblaje de la coladera.

Mettre le joint étanche, la rondelle et l'écrou de blocage sur la crépine.

- 1** Remove old pop-up drain assembly.

Reueva el ensamblaje del desagüe levadizo.

Enlever la vidange mécanique existante.

- 2** Place a ring of putty around drain opening of sink.

Coloque masilla de plomería alrededor de la abertura del desagüe del lavamanos.

Mettre du mastic autour de l'ouverture du lavabo.

- 4** Thread lock nut from underside of sink until rubber washer sits securely inside opening of sink. Tighten lock nut.

Enrosque la contratuerca desde abajo del lavamanos hasta que la arandela de goma quede firme dentro de la abertura. Ajuste la tuerca.

Visser l'écrou de blocage en dessous du lavabo jusqu'à ce que la rondelle de caoutchouc soit solidement placée à l'intérieur de l'ouverture du lavabo. Serrer l'écrou de blocage.

- 6** Place one end of spring clip on end of ball rod. Pass the tip of the rod through the hole in the lift rod strap and then through the hole on the other end of the spring clip.

ponga un extremo del anillo flexible en el extremo de la varilla con la esfera. Pase la punta de la varilla a través del orificio de la banda de la barra elevadora y después a través del orificio en el otro extremo del anillo flexible.

Mettre une extrémité de l'agrafe sur l'extrémité du levier à rotule. Faire passer le bout du levier dans le trou de la sangle de tige de levage, puis dans le trou à l'autre extrémité de l'agrafe.

- 2** Place a ring of putty around drain opening of sink. Insert strainer through drain hole.

Ponga masilla de plomero alrededor de laboca de desagüe del lavamanos. Coloque la coladera en la boca de desagüe.

Mettre du mastic autour de l'ouverture du drain du lavabo. Insérer la crépine dans l'orifice du drain.

- 4** Tighten lock nut.

Ajuste la contratuerca.

Serrer l'écrou de blocage.

WARRANTY
Gerber Plumbing Fixtures LLC.,
Gerber Ceramic Disc Cartridge Ceramaflo Limited
Warranty
Gerber Washerless and Compression Type Cartridge Limited
Warranty

LIMITED LIFETIME WARRANTY

GPF warrants that the ceramic disc cartridge (the valve control of the faucet) will not leak or drip for as long as it is owned by the original purchaser. If the ceramic disc cartridge malfunctions or proves defective upon inspection by GPF after the valve has been returned, then GPF will repair or replace such part, at GPF's option, free of charge. This Limited Warranty only applies to repair or replacement of defective ceramic disc cartridges.

THE (10) YEAR LIMITED WARRANTY

GPF warrants that the washerless or compression type cartridge (the valve control of the faucet) will not leak or drip for a period of ten (10) years from the date of original purchase, as shown on the original consumer-purchaser's receipt. If the washerless or compression type cartridge malfunctions or proves defective upon inspection by GPF after the valve has been returned, during the 10 year warranty period, then GPF will repair or replace such part, at GPF's option, free of charge. This Ten (10) Year Limited Warranty only applies to repair or replacement of defective washerless or compression type cartridges. Normal wear of washers seats, o-rings, sealants and lubricants is not subject to the 10 Year Warranty.

TWO (2) YEAR LIMITED WARRANTY ON OTHER PARTS

GPF warrants to the original consumer-purchaser of this product that for a period of two (2) years from the date of original purchase, this product will be free from defects in material and workmanship under normal, reasonable use in accordance with product instructions. All faucets installed in accepted commercial installations carry a one (1) year limited warranty. All labor, shipping and freight costs and any other charges incidental to warranty and service are to be borne by the original consumer purchaser.

GPF agrees, at GPF's option, to repair or replace this product or any part thereof which proves, upon inspection by GPF after such product is returned, to be defective in material or workmanship.

GPF will not be liable for any labor, shipping, freight, or any other charges incurred by the original consumer-purchaser in acting upon the above warranties. Installation or use of the faucet or valve not in accordance with product instructions or improper use, abuse or neglect of, or accident to, the faucet or valve will void the above warranties.

To receive replacement or repair of either the ceramic disc cartridge, washerless or compression type cartridge or another part of this product, send the defective part, together with the original sales receipt or a copy thereof, showing the date of purchase, to:

Gerber Plumbing Fixtures LLC.,
www.Gerberonline.com

If the Federal Consumer Product Warranties Act applies to the original purchaser of this product, then any implied warranties which may be applicable under state law, such as any implied warranty of merchantability or any implied warranty of fitness for a particular purpose, are limited with respect to the ceramic disc cartridge to twenty (20) years, washerless or compression type cartridge to ten (10) years and with respect to all other parts to two (2) years.

Other than as described above, GPF disclaims any and all other warranties, express or implied, including any warranties of merchantability or fitness for a particular purpose. In no event shall Gerber Plumbing Fixtures LLC, be liable to anyone for incidental or consequential damages.

The above warranties give you specific legal rights, and you may also have other rights which vary from state to state. Certain federal and state laws may limit or disallow disclaimers of incidental or consequential damages and /or limitations on implied warranties.
